# 1. INTRODUCTION

- ▶ Doan Ket Production Business Import-Export Company Limited, established on May 16, 2012, specializes in manufacturing **knitted and woven fabrics** for both domestic and international markets. Over 80% of our products are exported to the United States, Japan, Korea, and Europe, while the remaining 20% serve the domestic garment industry.
- ▶ With experienced leadership, a dynamic team, and strong expertise, Doan Ket Company is committed to continuous growth and innovation. Our mission is to become a leading and trusted enterprise in **Vietnam's textile industry**.
- ▶ Our goal is to be a reliable supplier of fabric products worldwide. We focus on improving product quality through advanced techniques, optimizing production costs, and offering competitive prices. In addition, we continuously invest in R&D to enhance technology, ensuring **high-quality fabrics** that meet the demands of a dynamic market.
- ▶ We are committed to building **long-term partnerships** and fostering close cooperation with customers and partners worldwide.

### CERTIFICATE

#### The company

DOAN KET PRODUCTION BUSINESS IMPORT EXPORT COMPANY LIMITED  
7, Street 5A, Binh Lac Residential Park, Binh Thuy Hoa II, Binh Thuy district, HCM City, Viet Nam.

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 63995

#### for the following articles:

Carded/combed ring spun raw yarns made of 100% cotton. Cotton provenance – Brazil, West Africa and Mexico.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, product class II have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSA), with the exception of accessories made from glass) and of the Chinese standard GB 18401-2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 11-46846 is valid until 29.11.2024

Manchester, 31.03.2023
